C-Clamp / Grommet Installation

Upgrade Your View: Smart ergonomics, effortless motion

Reclaim valuable desk space while creating a more comfortable, ergonomic workstation. Designed for home offices and professional setups alike, this sleek mount is built from high-grade steel and supports flat or curved monitors up to 32 inches and 19.8 lb. Its precision gas spring mechanism counterbalances your monitor's weight, allowing you to effortlessly raise, lower, tilt, swivel, or rotate the screen for the perfect viewing angle. With both clamp and grommet mounting options included, plus a convenient keyhole design for quick installation, this sturdy arm delivers smooth movement, reliable stability, and a cleaner desk thanks to integrated cable management.

Highlights

- Supports one monitor from 17" to 32"
- Weight capacity: 4.4–19.8 lb.
- Gas spring mechanism for smooth, stable positioning
