PARTY ON!

Party harder!

Meet the **BoomBlaster**, the biggest and baddest member of our Klip's BoomBlaster speaker family, pumping out a whopping 1800 watts of earth-rattling power. This portable beast unleashes thunderous bass, vibrant lights, and you can take it anywhere. Bluetooth-ready, with muscular styling and a rechargeable battery, the **BoomBlaster** brings the ultimate party experience anywhere. Crank the volume to live-rocking levels on this wireless monster speaker built for legendary parties!

Highlights

- 1800 watts of maximum output power.
- 6.5-inch subwoofer and a 1.5-inch driver to deliver powerful audio with enhanced bass.
- Dynamic LED lights for a festive atmosphere.
- Portable with a rechargeable built-in battery that offers up to 7 hours of playback with the lights on and up to 8 hours when the lights are off.
- TWS (True Wireless Stereo) capability to stream audio simultaneously through two identical units³.
- Works with Bluetooth® V5.0-enabled devices⁴.
- Aux 3.5mm input, integrated USB port and microSD™ memory slot for added versatility.
- Includes inputs for two wired microphones so you can enjoy karaoke singing, either in daring solos or in duet with improvised bandmates².
- Easy to read LED display.
- Slot for placing a smartphone.
- Remote control included.
