

PowerWall Uni 100

All-in-One 100W GaN Universal Travel Adapter

Global Compatibility

8-hole universal socket supports multiple plug types for use in 150+ countries.

GaN technology

Faster charging and greater efficiency

3 Fast Charging USB ports

3 × USB-C® PD
2 × USB-A QC 3.0

Compact Versatility

Retractable prongs adapt to outlets worldwide for worry-free travel.

100W

Max. Output¹

Supports Direct Laptop Charging via USB-C®

Travel connected. Charge without borders.

Travel with power wherever you go. The PowerWall Uni 100 universal adapter combines global compatibility and fast charging in a compact design ready to go anywhere with you. Its universal socket with retractable prongs works across multiple countries, while its USB-C® and USB-A ports let you charge laptops, smartphones, tablets, and more—even at the same time. Powered by GaN technology, it delivers efficient, safe, and reliable charging for all your devices.

Highlights

- **Global compatibility**
The 8-hole universal socket supports up to 13 plug types, while retractable prongs adapt to 14 outlet types—ensuring reliable compatibility across multiple countries.
- **Fast charging technology**
Three USB-C® PD ports (2 × 15W/ 1 × 100W) and Dual USB-A QC 3.0 12W ports.
- **Travel-ready power for the whole family**
Ideal for charging laptops, smartphones, tablets, earbuds, cameras, gaming consoles, and more. Power up to 7 devices simultaneously.
- **GaN Semiconductor Technology**
Faster charging, higher efficiency, best heat dissipation
- **Smart safety system**
Dual-voltage support (100–250V) with internal 10A fuse, safety shutters, LED power indicator and built-in multi-protection system against over-current, over-voltage, short-circuit, and surges.
- **Direct USB-C® Laptop Charging**
Charge compatible laptops directly from the USB-C® port—no need to carry your original laptop power adapter.*

Technical Specifications

General Information	
MPN	KMC-750
Product type	Universal travel adapter
Input	
Input	100–250V AC, 50/60Hz, 2.3A max.
Rated power	100–250V AC, 10A max., 2,500W max.
Output	
USB output	up to 100W total**
Single-port output	•USB-C1: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A (PD 100W max.) •USB-C2/C3: 5V/3A (PD 15W max.) •USB-A1/A2: 5V/2.4A (QC 12W max.)
Multi-port output	•USB-A1/A2: 5V/2.4A (12W max.) •USB-C2/C3: 5V/3A (15W max.) •USB-C1: 5V/2.4A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A (65W max.)
Physical Appearance	
Housing material	Flame-retardant PC (UL94 V-0 rated)
Color	Black
LED Indicator	Yes (white)
Replaceable Fuse	250VAC, 10A, 6.3 × 25.4 mm (Spare fuse included)
Plug types supported	-Type I – Australia, New Zealand, China -Type A – USA, Canada, Japan, Taiwan -Type G – United Kingdom, Hong Kong, Malaysia, Singapore -Type C/E/F – Germany, France, Netherlands, Belgium
Additional Information	
Standards/certifications	CE/UKCA certifications, UL test report
Operating temperature	23°F to 77°F
Storage temperature	-4°F to 158°F
Relative humidity	35–85% RH (non-condensing)
Product dimensions	2.72 × 2.19 × 2.15 in
Product weight	7.05 oz
Box contents	Universal travel adapter, 10A spare fuse
Warranty	1-year limited warranty

* Requires a USB-C cable rated for at least 60W (not included).

** 100W is the maximum rated output when charging through a single USB-C® port. When more ports are in use, power is automatically redistributed. Actual per-port output may vary depending on each connected device's power demand and charging technology. Scan the QR code to visit the product website and view detailed multi-port specifications.

Note: NOT A VOLTAGE CONVERTER. Make sure your device supports dual voltage (100–250V) or is compatible with the local voltage standard. For single-voltage appliances, a separate voltage converter may be required.
