## Wherever you go, travel light and keep your laptop protected

Keep your 14" laptop ready and safe with the Nova sleeve by KlipXtreme. Designed for your fast-paced lifestyle, it combines durable materials with protective padding that cushions against bumps and scratches—without adding extra weight. Its zippered front pocket keeps chargers, cables, and accessories neatly organized, while the integrated handle makes it easy to carry from the office to your favorite cafe or the next flight. Ultra-lightweight and resistant, Nova is the perfect companion for those who are always on the move.

Comfort, style, and protection for your laptop—wherever life takes you.

## Highlights

- Designed to protect laptops up to 14" without getting in the way or adding extra weight to your bag.
- Zippered front pocket for your daily essentials—accessories, cables, or that charger you always need.
- Traveling light? No problem. With its integrated handle, your laptop is always ready to go.
- Stylish protection that performs. Nova cushions impacts and keeps your device safe with a slim, clean design.
- Durable materials built for everyday use. Tough on the outside, practical on the inside—made to last and stand out.
