AerisPro

Open-Ear Communications Headset with ENC Boom Microphone and Magnetic Charging Base

Open-Ear Design

ENC
Environmental Noise Cancelling Microphone

Magnetic Charging Base

22.5 Hours
of battery runtime [1]

For computers, smartphones, tablets and other mobile devices

Compatible with Bluetooth® V5.4 for greater range[4]

Integrated On-Ear Controls

Voice Control
Works with Siri® and Google Assistant™

Ergonomic Design
Flexible ear hooks for secure, perfect fit

Lightweight

Stay aware. Stay connected.

Designed for those who need to stay connected without losing awareness of their surroundings, this open-ear headset delivers clear calls and easy audio control with integrated buttons for a truly hands-free experience. Its open, comfortable design lets you stay aware of what's happening around you while working, commuting, or taking calls.

The environmental noise-canceling microphone helps improve voice clarity in busy spaces, while the magnetic charging base makes recharging effortless and keeps your desk neat and organized. With long battery life and stable wireless connectivity, it's an ideal solution for everyday work, virtual meetings, and continuous communication throughout the day.

Highlights

- **Hands-free calling & audio control:** Manage calls and audio playback effortlessly via integrated multifunction controls.
- **Open-ear design for situational awareness:** Stay aware of your surroundings while making calls or listening to audio—ideal for work, commuting, and multitasking.
- **Directional air conduction for comfortable listening:** Sound is delivered without blocking or pressing into the ear canals, providing a more comfortable and ear-friendly listening experience.
- **HD boom microphone with environmental noise cancelling (ENC):** Reduces background noise for clearer voice pickup in busy environments. Features a 270° rotating boom and a dedicated mute button for precise positioning and instant privacy.
- **Magnetic charging base:** Fast, effortless snap-on charging for grab-and-go convenience, reduced connector wear, and a clean, professional desk setup.
- **Long-lasting battery life:** Up to 22.5 hours of battery life on a single charge.[1]
- **USB-C® fast charging:** Fully recharges in approximately 2 hours. A quick 15-minute charge provides up to 1.5 hours of use.[2]
- **Voice assistant compatible:** Supports Siri®, Alexa and Google Assistant™ for hands-free access.[3]
- **Bluetooth® 5.4-compatible connectivity:** Stable wireless connection with a range of up to 33 ft.[4]
- **Bluetooth® dual-device connection:** Supports simultaneous pairing with two Bluetooth® devices, allowing easy switching between audio sources without re-pairing.[5]
- **Cross-platform UC compatibility:** Designed to work with Microsoft Teams® and other leading Unified Communications (UC) platforms.[6]

AerisPro

Open-Ear Communications Headset with ENC Boom Microphone and Magnetic Charging Base

Technical specifications

Model	KOE-900
Headset	
Product type	Open-ear communications headset with magnetic charging base
Speakers (audio)	
Driver impedance	16 ohm
Frequency response	20 Hz–20 kHz
Sensitivity	110 dB ±3 dB (1 kHz)
Signal-to-noise ratio	≥70 dB
Maximum power output	50 mW
Microphone	
Type	Boom microphone
Microphone size	0.16 × 0.06 in (4 × 1.5 mm)
Noise cancellation	Environmental Noise Cancelling (ENC)
Directivity	Unidirectional
Frequency response	100 Hz–7 kHz
Impedance	2.2 kΩ
Sensitivity	–27 dB
Rotation	Up to 270°
Controls	
Volume control	Touch control strip
Playback and call control	Multifunction button (MFB)
Microphone mute	Dedicated mute button
Voice assistant compatibility[3]	Supports Siri® and Google Assistant™
Connectivity	
Wireless technology	Compatible with Bluetooth® 5.4
RF frequency range	2.402–2.480 GHz
Wireless range[4]	Up to 33 ft (10 m)
Battery & charging	
Battery type and capacity	Lithium-polymer 120 mAh
Charging interface	USB-C® via magnetic charging base
Charging input[2]	5V – 0.5A
Charging time	Approximately 2 hours[1]
Battery life at 50% volume	Up to 22.5 hours[1]
Battery life at 100% volume	Approximately 10 hours[1]
Physical specifications	
Headset dimensions (L × W × H)	4.8 × 5.2 × 1.9 in
Headset weight	1.0 oz
Charging base dimensions (L × W × H)	5.7 × 2.7 × 1.1 in
Charging base weight	4.3 oz
Cable type and length	USB-A to USB-C®; 1.97 ft
Color	Black
Package contents	Open-ear communications headset magnetic charging base, USB-A to USB-C® charging cable, user manual
Warranty	1-year limited warranty

1.Battery life tested at 50% volume. Actual performance may vary depending on volume level, content, and usage conditions.
2.Requires a USB power source rated at 5V / 0.5A or higher. Power adapter not included.
3.Voice assistant functionality supported on compatible smartphones only.
4.Wireless range may vary based on environmental conditions, interference, and obstacles.
5.Audio playback is available from one connected device at a time.
6.Some features may vary or be limited depending on the UC platform and system configuration.
