# Boombar Air Ultra

5.1 ch. Dolby Digital® soundbar system with wireless subwoofer  
compatible with Bluetooth®

Compatible with  
Bluetooth® v5.3

**Wireless  
subwoofer**  
with rear speakers

**DOLBY AUDIO™**

Feel every beat, rumble, and  
whisper—because ordinary  
sound isn't enough.

Get ready to transform your living room into a cinema! With this 5.1 channel Dolby Digital® soundbar, you're not just watching a movie—you're in it. At 300 watts, the soundbar packs three powerful speakers to pump out booming sound that fills the room. Plus, the wireless subwoofer with rear satellite speakers? Game changer. Position them anywhere you want for true surround sound, and feel every explosion, every beat, like you're right there. Whether you're vibing to your favorite concert or getting lost in a new blockbuster, the crisp, immersive audio makes it unforgettable. And with Bluetooth® v5.3, HDMI® ARC, Aux. 3.5mm and optical connections, you're set for a seamless experience, no matter the sound source. Tabletop or wall-mounted, this soundbar flexes to always fit your favorite setup. Grab the remote, set your EQ, and let the good times roll!

## Highlights

- 5.1 channel Dolby Digital® soundbar system to get that theater-quality surround sound you want and make every movie, show, or concert an immersive experience.
- 300W output through three powerful 2.25" mid and high-range speakers.
- Wireless subwoofer with 5.5" driver unit.
- Two 2.25" satellites connected to the subwoofer.
- HDMI® ARC, digital optical, Aux 3.5mm, and USB connections.
- Bluetooth® v5.3 compatibility for streaming from anywhere in the room up to 33 ft away.<sup>1</sup>
- LED display: Know exactly what you're playing, where it's coming from and how loud you want it with a simple glance.
- Removable bases for versatile mounting.
- Equalizer with three preset EQ modes for movies, music and news.
- Remote control so you can kick back, relax, and manage everything without leaving the couch.
- Includes a digital optical cable.
