Smart, comfy, and made to keep up

This wireless mouse gives you smooth control, accurate tracking, and an easy switch between two devices. Whether you're working at your desk or on the go, it's built to fit right into your day.

Highlights

- **Dual-receiver versatility:** Features USB-A and USB-C® 2.4GHz receivers. Seamlessly switch between two devices at the press of a button—no need to unplug or swap dongles.
- **Ergonomic design:** Sculpted for comfort. Promotes a natural hand posture and reduces wrist strain for right-handed users.
- **Precision optical sensor with adjustable DPI** – Smooth, accurate tracking with customizable DPI settings: 1000 / 1600 / 2400.
- **Reliable wireless freedom:** 2.4GHz wireless technology delivers a strong, stable, and lag-free connection at distances of up to 33 ft (10 m).
- **Compact & travel-ready:** Designed for business on the go. A built-in receiver storage bay keeps your dongles safe and secure wherever you work.
- **Smart power management:** On/off switch preserves battery life during travel or downtime.
- **Two long-lasting Energizer® AAA batteries included** for trusted performance.

Specifications

General Information	
Type	7-button ergonomic wireless optical mouse with dual 2.4GHz USB receivers (USB-A & USB-C®)
Technology	Optical
DPI resolution	1000 / 1600 / 2400
