Solar Power and Peace of Mind for Your Home

Turn sunlight into constant protection: the integrated solar panel and rechargeable battery deliver clean energy without cables or downtime. Enjoy crystal-clear 2K day and night vision, receive intelligent motion alerts, and instantly trigger the LED light and siren. All under your control via the Nexxt Home app. Live worry-free knowing what matters most is always safeguarded.

Highlights

- 4MP 2K high-definition resolution.
- Powered by a built-in solar panel that automatically recharges the battery.
- Completely wireless installation via 2.4GHz Wi-Fi connection.
- Human body filtering sensor for smart motion detection.
- Motion-activated LED light for enhanced visibility and deterrence.
- Color night vision to clearly see even in the dark.
- Two-way audio to listen and speak through the app.
- Built-in siren to alert in case of suspicious activity.
- Compatible with cloud storage and microSD™ cards up to 256GB.
- Remote access and easy setup via the Nexxt Home app.

Smart HOME. Smart living

NHC-OF30S

Smart Wi-Fi® camera with built-in solar panel

Outdoor - fixed

Technical Specifications

General	
MPN	NHC-OF30S
Product type	Smart fixed outdoor camera with built-in solar panel
Resolution	2K QHD (2560x1440p) 4MP
Image sensor	SC3336
Lens type	4 mm
Viewing angle	Diagonal 108°
Mount swivel angle	45° with wall bracket
Video compression	H.264 / H.265
Audio compression	G.711
Two-way audio	Built-in microphone and speaker
Reset button	Included
Frame rate	15 fps
IR mode	Two modes: Smart mode, IR mode
Still image capture	Image and video capture supported
Night vision	Two modes: Black & white and color mode
MicroSD™ slot	Up to 256 GB*
Wireless frequency	2.4 GHz
Motion detection range	Up to 32.8 ft
Motion detection settings	Human body filter, object outline, display frame
Night vision range	Up to 32.8 ft
Video features	Main stream: 1024 Kbps Sub-stream: 256 Kbps
Weather resistant	IP65
Security light brightness	45 lumens
Built-in siren	Yes, 90dB
Power	
Input	5V/2A
Built-in battery size	5200mAh
Solar panel power capacity	1.5W
Physical Appearance	
Dimensions	6.7 x 3.1 x 2.9 in
Weight	0.88 lb
Charging cable length	1.64 ft
Housing	PC + ABS
Environment	
Operating temperature	-4°F ~ 140°F
Storage temperature	-4°F ~ 140°F
Relative humidity	≤60%
Additional Information	
System requirements	Mobile devices running Android 6.0 or higher, or iOS 11 or higher*
Compatible virtual assistants	Alexa, Google Assistant
Usage location	Indoors, outdoors
Warranty	2 years
Accessories & Hardware included in the box	Camera (1) Camera wall bracket (1) USB-C® charging cable (1) Wall mount hardware (1) Screws (2) Anchors (2) Quick start guide (1)

*Smartphone and microSD™ card not included
