

INDUSTRIAL TOUCH MONITOR 17"

SAT 1073FPH

FEATURES

- ✓ 24/7 continuous operation
- ✓ Modern, sleek, and compact design.
- ✓ 17-inch capacitive touch screen.
- ✓ Water splash-resistant construction.
- ✓ Ideal solution for high-traffic environments.
- ✓ Designed for wall mounting.
- ✓ Flexible for kiosk integration.

DESCRIPTION:

SAT POS Solutions are custom-designed for your needs. Streamline, optimize, and renew your processes to deliver the experience your employees need and your customers desire.

This model provides the perfect blend of elegance, versatility, and reliability for your business (24/7 operation).

The 1073FPH features a 17-inch capacitive touchscreen (4:3 aspect ratio) with 1280 × 1024 resolution and 3-point multi-touch capability. Its edge-to-edge glass design withstands water splashes and simplifies cleaning. With IP54 certification, it thrives in industrial environments. Includes a removable base with VESA mounting for flexible installation.

The SAT 1073FPH monitors deliver a compact, high-performance experience with their 17-inch screen (4:3 aspect ratio).

Featuring edge-to-edge glass, these monitors withstand frontal water splashes and offer dust-proof sealing protection.

Industrial Touchscreen for 24/7 Operation: The monitors feature an industrial-grade capacitive touchscreen designed for continuous 24/7 operation. With a resolution of 1280x1024 and 3-point multitouch capability, they ensure fast and responsive interactions.

Versatile Mounting Options: Choose from countertop installation, wall mounting, or a removable stand for flexible placement. Ideal for integration into kiosks, these monitors adapt seamlessly to diverse environments.

Installation Flexibility: Perfect for POS billing solutions in high-traffic settings such as supermarkets, banks, and other retail or service-oriented locations.
