

Epson EcoTank M3170 All-in-One Printer

Save up to 90% vs. laser with replacement bottles¹

The M3170 EcoTank® is a wireless monochrome all-in-one printer, perfect for small businesses that seek maximum productivity. It provides low cost printings without giving up quality. With the super high capacity refillable ink tanks you can print up to 11.000 pages with the 2 included bottles; and up to 6.000 pages with the replacement bottles.

The M3170 reaches speeds of up to 39 pages per minute. It offers an automatic document feeder, automatic two-sided printing, fax, ethernet for workgroups, and wireless compatibility for mobile device printing.

- ADF for easy copying, scanning and faxing
- New system easier to fill
- Pigmented ink with professional quality

Model: C11CG92301

Overview

Prints Thousands of Pages
