Durable and stylish for your mobile lifestyle

Designed for everyday mobility, the **SquarePro** tablet sleeve delivers a secure fit and dependable protection for your tablet on the go. Crafted from high-quality materials, it features a soft, padded interior that helps shield your device from bumps and scratches. A convenient front zippered pocket keeps small essentials—like cables, memory cards, or adapters—within easy reach. Carry it comfortably using the built-in handle or slip it into your backpack for effortless portability. Sleek, minimal, and practical, this sleeve complements your style while keeping your tablet protected wherever the day takes you.

Highlights

- Sleek and versatile sleeve for tablets up to 11 inches
- Built-in carry handle for easy portability
- Durable fabric designed to withstand daily use
- Front zippered pocket for cables and small accessories
- Soft padded interior for added cushioning and protection
- Heavy-duty zipper closure for secure storage
- Ideal for standalone use or inside a backpack
- Available in multiple color options
