

FICHA TÉCNICA / DATA SHEET

Modelo / MPN: VF-07-100 | Marca / Brand: Quest Manufacturing Co.

Descripción (Español)

Organizador de cable vertical de doble cara diseñado para infraestructuras de TI de alta densidad. Estructura tipo conducto con dedos ranurados y cubiertas de PVC removibles que permiten una distribución limpia, minimizando la tensión en los conectores de red y optimizando el flujo de aire dentro del gabinete.

Description (English)

Dual-sided vertical cable manager engineered for high-density IT environments. Features a finger-duct design with snap-on removable PVC covers to ensure a neat cabling layout, reducing stress on network ports and maximizing airflow within the enclosure.

Especificaciones Técnicas / Technical Specifications

Atributo / Attribute	Valor / Value
Brand	Quest Manufacturing Co.
Name	Vertical Finger-Duct Cable Manager w/Cover, Dual-Sided
Global Product Sub Category	Rack Cable Management Accessories
Height / Altura	1.83 m (6 ft / 72 in)
Capacity / Capacidad	Up to 100 cables (50 per side)
Material	18 AWG Cold Rolled Steel Base & PVC Finger Ducts
Color	Black Powdercoat MicroFinish
Delivery Weight Size	BIG BOX
Delivery Kilos	4.8 kg
Google Product Category	Electronics > Networking > Network Rack Accessories > Cable Management
Warranty / Garantía	1 Year Limited Factory Warranty
