

XTA-811 BlitzAir

2-in-1 Cordless Handheld Vacuum & Air Blower
with 60,000RPM brushless motor

Highlights

- **2-in-1 Cordless Vacuum & Air Blower:** Compact and portable, this versatile device functions as both a vacuum cleaner and an air blower—ideal for cleaning your car, home, or office, and even inflating pool toys. Comes with multiple accessories for enhanced functionality.
- **High-Performance Motor:** Powered by a 60W brushless motor that delivers up to 60,000 RPM and 10 kPa of suction for efficient, deep cleaning. Brushless technology ensures quieter operation, higher efficiency, and longer lifespan with minimal maintenance.
- **Dual Rechargeable Battery:** Features two built-in batteries with a total 4000mAh capacity, offering 13–30 minutes of continuous use depending on the power mode.
