

XTA-820 25-in-1 High-Precision Screwdriver Kit

24 different
Screwdriver bits

Magnetic
Alignment Design

S2 Steel
& Aluminum Alloy

Portable
Storage Case

Highlights

- **24 interchangeable bits** of different models to meet your daily needs, including Philips, Flathead, Torx, Pentalobe, Triangle, Hex, Tri-Wing, Spanner and more.
- **Perfect for repairing PCs, smartphones, laptops, tablets**, watches, eyeglasses, game consoles, controllers, drones, RC toys, and a wide range of small electronics and devices.
- **Lightweight, durable, and corrosion-resistant aluminum** alloy case with a pop-up inner tray for secure, organized storage.
- **Sleek aluminum alloy handle** with a rotating cap for a lightweight, ergonomic grip, reducing hand fatigue during extended use.
- **S2 steel bits deliver superior hardness**, durability, and impact resistance.
- **High-strength magnetic bit holder** ensures bits and screws stay securely aligned for precise, controlled screwing.
