## When life demands style and functionality

Prepare yourself fully with the appropriate gear and enjoy this innovative and yet functional backpack from KlipXtreme. This backpack features a spacious main compartment with magnetic snap buttons, which allows you to properly pack your 15.6in laptop, textbooks, notepads and everyday gear without space limitations. Organize and keep your small items close at hand in the three interior utility pockets, one with a zippered for extra safety. The backpack also features a convenient zippered security compartment, which opens on the side, to carry any electronic device or other articles that need extra protection. It also comes equipped with five external pockets, so you will never run out of space when additional items need to be carried around. The backpack also features contoured shoulder straps for a more pleasant traveling experience, as well as a convenient pass-through strap to attach it to your carry-on. This spacious, versatile and high-end backpack will work just great with your distinctive lifestyle.

## Highlights

- **Protection:** Convenient, spacious and padded main compartment suitable for laptops of up to 15.6in. Quick access zippered security compartment on the side to provide additional protection to other electronic devices
- **Organization:** One spacious main compartment with magnetic snap buttons to conveniently fit textbooks, notepads and all your everyday gear. It also features three interior utility pockets, one zippered for extra safety. It also features five exterior pockets for small items and those articles you need to have close at hand
- **Convenience and comfort:** Convenient integrated handle and adjustable ergonomic padded shoulder straps to carry the backpack easily on your back. A resistant pass-through strap provides extra comfort and safety when travelling
- **Material:** Premium, highly-durable protective polyester, magnetic snap buttons for easy closing, and high quality lining
- **Colors:** Gray, blue, silver and khaki
