

Tabletop TV mount

for flat and curved TVs

Modern and functional viewing setup

Improve your viewing experience with this tabletop TV mount suitable for flat and curved TVs between 37 to 70 inches that can swivel 35 degrees to increase the viewing angle. Place it on a table or a desk for the best viewing position and add a modern look to the room. This TV mount is an elegant alternative for people who want to avoid wall damage and wish to have minimalistic decoration in their home. Practical and easy to carry when you need to position it in another room or transfer it to another place if you are moving. Its solid steel pillar provides stable support for your TV and the black tempered glass base prevents tipping while offering a sleek finish that goes with any furniture. Adjust the viewing height placing the TV at a lower level for a healthier position or raise it to make room for a soundbar. Leverage the cable management system on the back to keep a clean appearance. Transform your entertainment center!

Highlights

- Tabletop TV mount suitable for flat and curved displays of 37 to 70in
- Black tempered glass base that gives a modern look, plus the convenience of placing it on a tabletop
- Complies with VESA standards
- Sturdy structure that can support up to 88lb of loading capacity
- Easy installation, all hardware included
- Swivels +35° to -35° for smooth movement and optimal viewing
- Adjustable height for placement in a healthier position
- Cable management system hides any cables that are attached to displays
