

# Magnifik Wireless Duo

Premium wireless keyboard and mouse duo

## Increase productivity while providing greater comfort

Posture and comfort are critical for a professional setup. This premium wireless keyboard and mouse combo includes a quiet and responsive full size ultra slim keyboard with an integrated hand rest to help ensure a more natural wrist position during long working sessions. Experience restful typing thanks to low-profile keys that deliver a comfortable feel at touch. In addition, enjoy the versatility of fast access and multimedia keys so you can shortcut to commonly used functions like internet, music, video controls, sleep or wake up mode, and much more. The premium 6 button optical sensor wireless mouse features a contoured shape that feels intuitive when your hand rests in it and allows you to move the cursor with precision. With adequate palm support you can protect against inflammation or stress injuries. Eliminate the hassle of multiple receivers with a plug and play design, just plug the single nano receiver into a USB port and roam freely to work at an extended distance of up to 10 meters. Eliminate cable cluttering for a clean and neat desk setup.

## Highlights

- Quiet and responsive keyboard. Minimum noise and satisfying feel with maximum performance
- Provides a natural position which contributes to a good posture to enhance well-being
- Integrated hand rest encourages a natural hand and wrist position for maximum comfort during long working sessions
- 20 multimedia keys for instant access to internet functions, e-mail, music, among others
- Low-profile keys for a comfortable and quiet typing experience
- 6-button ergonomic mouse with adjustable DPI providing a highly responsive cursor control
- Power-saving auto-sleep with energy-saving feature. Power shut off timer extends battery life

## Specifications
