PowerCar Wireless

15W Magnetic Wireless Car Charger & Mount

Go wireless. Drive uninterrupted

Simplify your drive with the KlipXtreme PowerCar Wireless—a 15W magnetic wireless charger with an integrated mount that blends technology, design, and practicality into one essential accessory. Compatible with MagSafe® and Qi® devices, it keeps your phone securely in place even on the bumpiest rides. Its flexible arm and tilting base let you adjust the viewing angle for easy navigation or hands-free calls.

Not using a magnetic phone? No problem. The included adhesive ring ensures a secure hold and uninterrupted vertical charging. With USB-C® input and fast charging, just tilt, charge, and hit the road!

Highlights

- **Car charger with fast charging pad** delivers up to 15W for wireless magnetic charging smartphones.¹
- **Stick-on magnetic ring included** enables vertical wireless charging for non-magnetic devices.
- **Ultra-slim phone holder** that bends to fit any dashboard shape and position for the best view while driving.
- **Strong magnetic alignment for a secure hold.**² Your phone stays securely in place—even on the roughest rides, in sharp turns, and at high speeds.
- **Compatible with Magsafe® & Qi®.**
- **Fray-resistant hook-and-loop adhesive** for a secure, long-lasting hold. Residue-free removal and hassle-free repositioning.
- **USB-C® input** for fast and reliable power delivery.
- **Enhanced adhesion.** Apply the hydrogel film before attaching the base with the adhesive tape for a stronger hold.

Specifications

General Information	
MPN	KCW-505
Product type	Wireless car charger with velcro and magnetic phone holder/stand
Input power	5V=3A, 9V=3A
Output power	5W / 7.5W / 10W / 15W
Output for iPhone®	7.5W fast wireless charging
Output operating frequency (15W–10W–5W)	110–205kHz
Wireless charging transmission distance	0.08–0.24 in
Operating temperature	32–104°F
Storage temperature	4–176°F
Relative humidity	10–70% RH
Physical Appearance	
Materials	Aluminum alloy, TPU, Magnet, ABS, PC
Color	Black
Product dimensions	8.43 x 2.38 x 0.82 in
Product weight	4.23 oz
Connector	USB-C®
Charging Cable	3.28 ft USB-A to USB-C® cable
Packaging Contents	Magnetic wireless charging pad (x1), Extra adhesive tape (x1), Metal magnetic ring (x1), Protective film (x1), Hydrogel film (x1), Wet & dry cleaning wipes (x1 set), Positioning template (x1), USB-A to USB-C® cable (x1), Quick Installation Guide (x1)
Warranty	
1 year	

1. The maximum wireless charging power for iPhone® is 7.5W.

2. This feature only works with smartphones that support magnetic wireless charging. Non-magnetic phones will not attach securely to the pad when tilted and should only be charged in a flat, horizontal position. To use the tilt function with a non-magnetic phone, attach the included stick-on magnetic ring for a secure hold.
