

BoomFire Pro II

Loudspeaker system
compatible with Bluetooth®

Bring the fire. Feel the beat. Own the night.

Ready to turn up the vibe? The Boom Fire PRO II is your ultimate party sidekick — loud, bold, and built to move. With booming bass, flame-style LED lights, and a wireless mic for karaoke nights, this speaker brings serious energy to your hangouts. Whether you're jamming with friends, hosting a backyard bash, or dropping solos like a rockstar, it's got the power, portability, and personality to keep the party lit. Play it loud, roll it anywhere, and stay connected with wireless freedom and hours of nonstop energy. You bring the crew — it brings the fire. It's your show, your sound — turn it up and let the night burn bright!

Highlights

- 3,000W peak power output fills your parties with booming, high-impact sound.
- Dual 10" full-range subwoofers + 1.5" tweeter deliver deep bass and crystal-clear highs across all your favorite tracks.
- Dynamic Multicolor Flame LED lighting with 11 vibrant effects — switch them off anytime to save power or keep it chill.
- Includes one premium wireless mic for karaoke fun, plus jacks for a guitar and two wired mics¹ — perfect for bold solos, duets, or full-on jam sessions.
- Built-in rechargeable lithium battery delivers up to 9 hours of playtime (lights on) or 8 hours (lights off).²
- Bluetooth® 5.0-compatible connectivity with up to 33 ft range for total wireless freedom.³
- TWS pairing lets you link two Boom Fire PRO II units for true stereo sound.⁴
- AUX 3.5mm input, integrated USB port and TF/microSD™ card slot (up to 128 GB)⁵ for playing music files your way.
- Remote control lets you manage your speaker from across the dance floor.
- Built-in 5-band graphic equalizer with bass, treble, echo, and guitar output controls, plus volume wheels and five preset EQ modes for personalized sound.
- Built-in telescopic handle and bottom wheels make it easy to roll your speaker anywhere the party goes.
- High quality LED display.
- Convenient top slot for placing your tablet or smartphone.
