## Blazing audio to inspire your senses

The KHS-620 headphones with wireless technology combines a comfortable fit with great acoustics. It features an ergonomically designed headband with an integrated control button that allows you to easily manage your music and phone calls. The combination of a compact form factor and stylish design make this headset an excellent companion for school, the office or the road.

## Highlights

- Lightweight and comfortable on-ear fit
- Cushioned headband is easy to wear for extended periods
- Bluetooth® platform, compatible with most mobile devices
- On-board multifunction button for power, music and phone call management
- Omnidirectional microphone
- Up to 9 hours of normal operation and approximately 30 hours of stand-by time
- Folding design for compact mobility; extremely lightweight
- Micro-USB port to recharge the battery
