Sync and charge your device anytime, anywhere

This ultra-durable cable is perfect for charging and syncing your Apple device. Versatile USB plug connects directly to any computer, wall or car adapter with a standard USB 3.0 port. It is compatible with devices featuring an 8-pin lightning® connector, such as the latest iPhone, iPad and iPod models.

Highlights

- Delivers 2.4 amps of power more efficiently and faster than ordinary charging cables
- Reinforced and braided 3.6mm cord is proven to be stronger than other similar products
- The slim, low profile metal connector makes it easy to use without the need of removing the case
- Reversible plug design allows users to insert the connector in either direction
- It is 6.5-foot long to better accommodate your needs
- Hook and loop tie to keep cables organized
- One-year limited warranty
