

Majestik Compact Duo

Wireless ergonomic keyboard and mouse duo

1-YEAR WARRANTY

Professionally designed keep up with your highest standards

Enjoy all the benefits this highly professional looking wireless compact keyboard and optical mouse combo has to offer. It features a split keyboard layout and an integrated hand rest, which help to provide a more natural wrist position and maximum comfort during long working sessions. The semi-vertical ergonomic mouse comes equipped with an adjustable resolution of 800, 1200 and 1600 DPI for a faster response. Navigate the web with ease through the built-in Internet hotkeys as well as through the navigation buttons located on the side of the mouse. Enjoy ultimate connectivity through the ultra-compact 2.4 GHz dongle that virtually has no lag or interference. Make the most of your desktop space with this keyboard compact size design and exceed your professional expectations with the superb features of this multifunctional combo!

Highlights

- Ergonomic contour design with split key layout minimizes forearm muscle strain
- Integrated hand rest encourages a natural hand and wrist position for maximum comfort during long working sessions
- Compact and portable design to save desk space and easy transport
- Internet hotkeys for instant access to e-mail and web browsing applications, among others
- Built-in scroll wheel for enhanced navigation control
- 2.4 GHz RF wireless technology and On/Off switch for battery saving life
- Semi-vertical ergonomic mouse with adjustable DPI switch for a faster response
- Advanced laser sensor technology for improved performance and reliability
