Pair and switch between two devices at the same time

Magnetic Charging Base

ENC
Environmental noise-cancelling cardioid HD microphone

Up to 70 hours
of battery life¹

Lightweight

Integrated Command Control

Work smarter. Sound sharper. Look cooler.

You're always moving, juggling projects, calls, and deadlines. Your office isn't just a desk anymore — it's the coffee shop, the airport lounge, the backseat of a rideshare. You need gear that can keep up. This wireless stereo headset delivers crisp, professional sound for every "Can you hear me now?" moment, without the awkward repeat. Slip it on, and you'll hear — and be heard — with crystal clarity, whether you're in the middle of a client pitch, managing your team remotely, or catching up with a partner across time zones.

Snap it onto the magnetic charging stand when you're done talking big deals (or big ideas) and it's ready for the next one. Enjoy marathon talk time, background noise that stays in the background, and a mic that moves just the way you like it. Switch between your phone and laptop without missing a beat, cue up your voice assistant like a pro, and wear it all day without that "head clamp" feeling.

It's the headset that's just as ready for the boardroom as it is for your after-work playlist — because business and pleasure should both sound this good.

Highlights

- Premium wireless stereo headset with exceptional audio fidelity for crystal-clear communication on both ends of every call.
- Magnetic charging base. Just snap it in for effortless cable-free charging and a stylish way to store your headset. Includes a USB-C® port for versatile, high-speed charging.
- Power through the week with up to 70 hours of talk time, thanks to a high-capacity lithium-polymer rechargeable battery.¹
- Cardioid HD microphone with ENC technology reduces background chatter in busy spaces. Mounted on a 270° rotating boom so you can find the perfect position for any setting.
- Reliable Bluetooth® 5.2 connectivity lets you pair with two devices simultaneously and enjoy stable audio streaming² up to 33 ft.
- On-ear controls for instant access to call management, music playback, and mic mute.
- Voice assistant ready. Just call on Siri® or Google Assistant™ for hands-free efficiency.³
- Comfort engineered with an adjustable, padded metal headband and plush leatherette ear cushions designed for long-wear comfort.
- Cross-platform & UC ready. Works with Teams® and other leading Unified Communications platforms, plus Windows®, macOS®, and most Bluetooth®-enabled Android™ and iOS devices.⁴

¹ Battery life may vary based on volume level and usage patterns.

² Wireless range based on clear line-of-sight with no interference or obstacles.

³ Voice assistant features available only on smartphones.

⁴ Some functions may be limited depending on the UC platform.

DuoCom

Stereo wireless communication headset with charging base
Compatible with Bluetooth®

Specifications

Headphone	
Product type	Professional communication stereo headset with charging base, compatible with Bluetooth®
Form factor	On-ear
Driver unit	2
Maximum power output	50mW
Frequency	20-20kHz
Impedance	32Ω
Sensitivity	117±3dB/114dB±3dB (1KHZ)
Microphone	
Form factor	Fixed mic with 270° boom rotation
Directivity	Unidirectional
Noise reduction technology	Supports Environmental Noise Cancelling (ENC)
Frequency range	100Hz -10kHz
Impedance	2.2KΩ
Sensitivity	-42±1dB (1kHz)
Volume control	Supported
Connectivity	
Connection type	Wireless compatible with Bluetooth® v5.2
Bluetooth® chipset	BT8925B2
Bluetooth® protocols	HSP, HFP, A2DP , AVRCP
Wireless RF frequency	2.402 - 2.480GHz
Wireless range ⁴	Up to 33 ft
Multipoint BT	Supported (Allows connection to two BT-enabled devices simultaneously)
Battery	
Battery type	Lithium polymer battery
Battery capacity	420mAh
Battery charging time	About 2.5 hours
Battery runtime (at 50% volume)	Up to 70 hours ¹
Battery runtime (at 100% volume)	Up to 45 hours ¹
Battery standby time	400 hours
Input power	5V/500mA
Additional specifications	
Supported communication platforms	Compatible with Teams®, and other leading United Communications (UC) platforms. ²
Voice control	Compatible with Siri and Google voice assistants ³
Product dimensions	Headset: 7.32 x 7.36 x 2.71 in Charging base: 3.38 x 4.33 x 3.58 in
Product weight	Headset: 6.34 oz Charging base: 5.29 oz
Charging cable	23.62-inch-long USB-A to USB-C® cable
Package contents	Headset, charging base, charging cable, user manual
Warranty	1 year

1. Depending on the volume level and type of usage (calls/music).
2. Some limitations in certain functions may apply depending on the UC platform to be used.
3. Voice assistant only supported on smartphones.
4. Range estimate is based on an area free and clear of obstacles and interference, and within the line of sight between devices.
