## Unlimited flexibility, enhanced productivity, non-stop gaming

The **KPM-311** allows you to reclaim your valuable desktop space, while promoting a more ergonomic posture for your work station or play station. This rugged, black finish mount is constructed of high-grade steel and is designed to support screens of up to 32 inches in size and 17.6lb in weight. Its sturdy desktop base offers superb stability on any desk or countertop. A removable VESA plate makes installation much easier by screwing it into your monitor and then sliding it back onto the arm. Its fully articulating mechanism swivels and tilts to change reading angles, and rotates from landscape-to-portrait without having to remove the screen.

## Highlights

- Free-standing design for virtually any desk surface
- Dual monitor mount featuring a heavy-duty desktop base
- Fits two screens of up to 32 inches, each weighing up to 17.6lb
