and swivel flat or curved TV mount

Optimum viewing flexibility designed for maximum comfort

Enhance your viewing potential with our fully articulated mount, designed for flat and curved screens ranging from 32 to 60 inches. This high-quality wall mount is ideal for home cinema use, as it will let you position your TV screen at the optimal viewing angle, whether you are sitting, standing or lying on the sofa. It features a durable metal construction, a pivot swivel and four extension arms to easily accommodate mounting patterns of bigger screens. This functional VESA compliant mount is easy to install, so you can set it up and start enjoying your favorite movies and shows within minutes!

Highlights

- Full motion TV mount compatible with any 32 to 60-inch flat or curved screen TVs, weighing up to 66lb
- Optimal viewing comfort through its flexible tilt and swivel design
- Open architecture which maximizes ventilation and easy access to cables
- Includes VESA adapter extension plates
- Sturdy construction, made of heavy-gauge steel
