

Majestik

USB ergonomic keyboard

**1-YEAR
WARRANTY**

Professionally designed to keep up with your highest standards

Enjoy all the benefits this ergonomic, highly professional-looking keyboard has to offer. It features a split keyboard layout and an integrated wrist position and maximum comfort during long working sessions. This model also includes Internet hotkeys to have instant access to e-mail and web browsing applications. For a more productive performance the scroll wheel is conveniently located in the middle of the layout to make scrolling all over the document almost imperceptible. Work with confidence with a reliable USB connection, and enjoy a comfortable and quiet typing experience with the soft membrane key switches, which contribute to the keyboard functional style.

Highlights

- Ergonomic contour design with split key layout minimizes forearm muscle strain
- Integrated hand rest encourages a natural hand and wrist position for maximum comfort during long working sessions
- Internet hotkeys for instant access to e-mail and web browsing applications, among others
- Built-in scroll wheel for enhanced navigation control
- Low-profile chiclet keycaps for a comfortable and quiet typing experience
