Portable party speaker with LED lights, premium wireless microphones and tripod

You don't need a full crowd to throw a real party—just your crew, the right vibes, and your sound. Meet the **UltraBlaster**, the portable speaker that brings pro-level audio and performance-ready gear to your hangouts, jam sessions, or impromptu karaoke nights—including two premium wireless microphones and a sturdy tripod to set the stage anywhere.

With up to 1500 watts of peak power, punchy bass, and crisp highs, it turns any small gathering into a moment worth remembering. Want more show? Flip on the dynamic LED lights and maybe add a guitar or a wired mic if you're feeling the jam.

So, bring your playlists—no matter where you keep 'em—grab the remote, set your UltraBlaster on the tripod, and let it handle the energy—because the spotlight's on you now.

Highlights

- **1500W peak power output** delivers big sound for small parties and gatherings.
- **6 dynamic multicolor LED light modes** to match the mood—turn them off anytime to extend battery life or keep it chill.
- **8" woofer + 1" tweeter** for deep bass and clear treble across all your favorite genres.
- **2 premium wireless mics included**, plus a jack for plugging in a guitar or wired mic.¹ Amuse your audience with bold solos or enjoy impromptu duets and trios with your "bandmates".
- **Tripod included** to elevate your sound and get better sound projection.
- **Rechargeable battery** with up to 8 hours of playtime with the lights off.²
- **TWS pairing** lets you link two UltraBlaster speakers for full stereo sound.³
- **Wireless freedom** – Walk around, dance, or just relax and let your tunes follow you everywhere, thanks to Bluetooth® 5.3 compatibility with a 33 ft range.⁴
- **Play your way**– Plug in via USB, AUX, or pop in a TF/microSD™ card (up to 64 GB)⁵ and keep the music going.
- **Remote control included** for quick access to key functions. Manage the music without stopping dancing.
