

Smart Auto-Clamp Mechanism
with intelligent sensor and one-touch lock/release buttons

Adjustable Viewing Angle
Full tilt-and-rotation pivot mechanism

PowerCar Tech

Car Mount with Wireless Fast Charging Pad for Smartphones

Qi® compatible
Supports wireless charging-enabled devices

2-in-1 Mounting Options
Dashboard or vent installation

Intelligent sensor,
opens and closes the holder's arms automatically

Smart charging, perfect grip

Make every ride simpler with the PowerCar Tech by Klip Xtreme. Its smart auto-clamp system detects your phone and secures it instantly, while the 15W fast charging feature keeps your devices powered up and ready to go. Mount it on your windshield, dashboard, or air vent—its versatile design adapts to your driving style. With a telescopic arm, 360° rotation, and USB-C® connection, you'll enjoy the perfect view and a smooth, uninterrupted charging experience.

Highlights

- **2-in-1 design:** Securely attach the mount to your dashboard or windshield with the strong suction cup, or to your air vent using the included clip.*
- **Smart Auto-Clamp System:** Smart sensor opens and closes the holder's arms automatically when you place your phone on the cradle—or with a simple touch.
- **Supports QC 2.0 and QC 3.0 standards** for efficient wireless charging.
- **LED indicators:** Side lights show charging status at a glance.
- **Flexible viewing:** 360° rotation for portrait/landscape use, 180° tilt adjustment, plus telescopic support arm that stretches up to 8 in for optimal positioning.
- **Up to 15W Wireless Fast Charging:** Delivers powerful, high-speed charging for Qi®-enabled iPhones® and Android™ devices.**
- **USB Type-C® connection:** Provides faster, more efficient power delivery.

Specifications

General	
Product type	Car mount with wireless fast charging and automatic induction
Wired input	DC 12V/1.5A, 9V/1.67A, 5V/2A
Wireless output	15W / 10W / 7.5W / 5W
iPhone® output	7.5W fast wireless charging**
Charging frequency	110-205kHz
Charging distance	≤10mm
Connector type	USB-C®
Operating temperature	32-104°F (0-40°C)
Qi2 compatibility	Supported
Physical	
Materials	ABS, PC, acrylic
Color	Black
Dimensions (H x W x D)	4.6 x 2.8 x 2.2 in
Weight	4.3 oz
Cable length	3.3 ft, USB-C®
Additional information	
Features	-Smart sensor with auto-clamp arms -One-touch release buttons on both sides -Includes suction cup base and air vent clip adapter*
Package contents	Wireless charging phone holder, suction cup mount, air vent clip adapter, USB-C® charging cable, Quick installation guide (QIG)
Warranty	1-year limited warranty

* The car vent must be strong enough to support the combined weight of the mount and the phone.

** To enable wireless fast charging, a QC 2.0/3.0 car adapter (minimum 1.8 A) is required (adapter not included).

Supports 7.5W fast charging for iPhone® and standard 5W charging for Qi®-enabled and other wireless charging-compatible smartphones. Charging performance may vary by phone brand and model.
