Effortless full-motion adjustment

We get it. You've got a lot on your plate, and a comfy chair just doesn't cut it when you're surrounded by screens. Let's be real—your desktop has been begging for an ergonomic upgrade to save your neck (literally). Enter Klip Xtreme's new full-motion desktop stand, designed for tech-savvy multiscreeners and social butterflies like you. Say goodbye to desktop clutter and hello to flexibility—because this stand bends like a yoga guru on caffeine.

Whether you're scrolling on your phone, tackling work on your tablet, or streaming on a portable monitor, it's got your back (in every sense). The three-section arm tilts, swivels, and rotates 360°, letting you adjust your devices to the perfect angle.

Highlights

- Upgrade your workspace: Versatile desktop stand for smartphones, tablets, portable monitors, and other devices, adding flexibility and style to your setup.
- Wide device compatibility: Supports devices from 4" to 13", making it perfect for phones, tablets, and compact monitors.
- Adjustable three-section arm: Flexible, multi-joint folding arm with tilt and swivel capabilities for effortless angle adjustments and a comfortable viewing experience.
- Secure and adjustable holder: Expandable holder with foldable clamps and a non-slip silicone pad for a firm, scratch-free grip, plus 270° tilt and 360° swivel for easy landscape or portrait orientation.
- 360° base rotation: Smooth, full-circle rotation from the base allows optimal positioning of the arm for any activity or task.
- Sleek design: Crafted from lightweight, premium aluminum with a fully collapsible frame for effortless setup, storage, and portability.
- Strong and stable C-Clamp base: Securely attaches to desks with adjustable height up to 2.3 inches. Features a non-slip silicone pad to prevent slipping and protect surfaces.
