Ergonomics meets innovation for the modern professional

Long hours at your desk? Say goodbye to wrist pain and hello to effortless control. Our ultra-ergonomic 3D vertical mouse is designed to fit naturally in your hand, reducing strain while keeping you in command. Whether you're navigating spreadsheets, designing the next big thing, or just tackling daily tasks, this wireless powerhouse gives you the precision and comfort you need without the hassle of tangled cables. The built-in rechargeable battery and USB-C® fast charging make the cost and hassle of regularly changing batteries a thing of the past. With a sleek rubber-coated finish for a premium feel, this mouse is made for those who work hard and play harder. Efficiency meets comfort in one game-changing tool.

Highlights

- Ultra-ergonomic vertical design – Encourages a natural hand position, reducing wrist and palm strain for right-handed users.
- Six-button wireless control – More versatility, more efficiency, all at your fingertips.
- Rechargeable & long-lasting battery – Up to six days of use on a single charge. *
- Reliable wireless freedom – 2.4GHz technology ensures a strong, lag-free connection up to 33 feet away.
- Premium feel, smart control – A rubber-coated finish enhances grip and comfort for seamless navigation.
- Stylish & functional led strip – Soft dynamic multicolor effects provide status signals and help locate the mouse in dim lighting.
- Compact & travel-ready – Built-in USB receiver storage prevents loss and damage.
- Smart power management – On/off switch extends battery life when not in use.
- USB-C® fast charging – Convenient and future-proof charging with the latest technology.

Specifications

Type	3D 6-button vertical wireless mouse with built-in rechargeable battery and LED light
Technology	Optical
CPI resolution	1000/1200/1600
Interface	USB 2.0 wireless dongle
Charging port	USB-C®
Speed	28 in/sec
RF technical	2.4GHz
RF distance	33 ft
Acceleration	8G
Scanning frequency	3000 fps
