Your home
in **one app**

Your galactic guardian at home

Small, agile, and brilliant — Nexxt Home's smart indoor PTZ camera is like having your very own R2-D2 watching over every corner. With 355° pan and 55° tilt motion, it detects movement, records in sharp 2K quality, and lets you see and speak from anywhere. Its advanced night vision and dual-band Wi-Fi® ensure seamless monitoring, no matter the time — or the planet. Easy to install, with cloud or microSD™ recording, and full control through the Nexxt Home app. Smart security that's always with you... even in a galaxy not so far away.

Highlights

- 2K QHD resolution (3MP) for crystal-clear image capture.
- Motorized pan (355°) and tilt (55°) — sees more than a stormtrooper squad.
- Dual-band Wi-Fi® (2.4/5GHz) for faster, smoother transmission.
- Motion detection that instantly alerts you to activity.
- Advanced night vision — sees clearly in the dark, like a true droid scout.
- Two-way audio to speak or listen from light-years away (or just the next room).
- Supports local storage via microSD™ (up to 256GB) and Nexxt Cloud.
- Weather stays outside — designed for indoor use and easy wall mounting.
- Quick 3-step setup with the Nexxt Home app.
- 2-year limited warranty.
