devices from  
one application**

## Peace of mind at your fingertips The ultimate rugged, security solution

Nexxt Solutions introduces its new **Smart Home Automation Series**. Designed to suit your mobile lifestyle while building a safe environment inside and out of your home, the brand seamlessly unifies into one user-friendly application a comprehensive line of fully integrated devices. From smart plugs, power strips, bulbs, and cameras to security kits, you can now take control, schedule, and run your own home devices, on your own schedule even when you are not there.

Our **Smart Outdoor PTZ Wi-Fi camera** is the ultimate security solution for your home. This smart camera keeps a vigilant eye on your home when you can't be there, day or night. Simply plug it into any AC outlet and connect it to your existing Wi-Fi network, no hub required. It streams live video directly to your smartphone in full HD 1080p and allows two-way conversations remotely through the app. Personalized alerts will be triggered every time motion is detected.

Compatible with Google Assistant™ and Amazon Alexa, you can stream live video to enabled devices with your voice for that extra peace of mind when you are home alone. With a viewing angle of 108 degrees and 355 degrees of horizontal motion, you can now actively monitor every corner of your property in real time, even under extreme lighting and weather conditions.

## Highlights

- Full HD 1080p for sharp live stream and video playback
- Weather resistant IP rating of 65, for optimal protection and reliable performance in any season.
- 355° rotatable design guarantees activity monitoring from every angle
- Advanced motion detection, with an effective range of up to 33ft
- No hub required
- Supports local storage through a microSD™ card of up to 128GB\*
- Supports two-way audio between phone and camera
- 24/7 video recording capability, never miss an important moment ever again
- Nexxt Home app included, for camera and movement control
- Supports remote viewing on iOS or Android™
- IR LEDs for night vision

\*Smartphone and microSD™ card not included
