GAMING LAPTOP COOLING PAD

Highlights

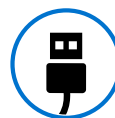

- **Adjustable cooling pad with six silent blue LED fans:** Provides powerful ventilation to keep your laptop at optimal temperature, even during intense use.
- **LCD display with 4-button control panel** to select active fan units and their speed.
- **Quiet operation:** Designed for a distraction-free experience, whether you're working or gaming.
- **Slim and portable design:** Perfect for gaming or office setups.
- **Two built-in USB ports:** Connect additional devices without sacrificing a laptop port.
- **Metal mesh surface:** Ensures excellent airflow for effective cooling.
- **6 adjustable height settings:** Keeps your laptop at an ergonomic angle to help maintain good posture and reduce strain.
